

*A Parent's Prayer for Raising a  
Child  
in the Knowledge of the Lord*

*Heavenly Father,*

*Thank you for this precious child that you have given me to raise. For bringing up this child in the knowledge of You I ask for these blessings.*

*Please give me the wisdom and understanding I need so that I might train my child in Your holy ways and teach my child about the world You created.*

*Provide me with the patience and grace needed daily that I might find joy in the journey and not grow weary during the challenging times.*

*Fill me with Your love and compassion that I might model Your unfailing mercies that are new every morning, Your goodness, and Your heart of love.*

*So then Lord, that I might raise a child that is wise and understanding, trained in holiness and truth, patient, grace-filled, compassionate and loving.*

*Thank You for the answer to this prayer. I ask this in Jesus' name. Amen.*
